

Your 2024-2025 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we must ask you to confirm the information reported on your FAFSA. To verify that you provided correct information, the financial aid administrator at Saint Peter's University will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information will be corrected. You and at least one parent must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the Office of Financial Aid. Saint Peter's University may ask for additional information. If you have questions about verification, contact our office as soon as possible so that your financial aid will not be delayed.

FAMILY SIZE

List below your family size. Include:

- The student.
- The student's spouse, if applicable.
- The student's dependent children if the following are true:
 - They live with the student (or live apart because of college enrollment),
 - They receive more than half of their support from the student; and
 - They will continue to receive more than half their support from the student during the award year.
- Other persons if the following are true:
 - They live with the student;

 - They will continue to receive more than half their support from the student during the award year.

The provided criteria for "dependent children" or "other persons" align with the requirement that family size align with whom the student could claim as a dependent on a U.S. tax return if the student were to file a U.S tax return at the time of completing the 2024-2025 FAFSA. As a result, the student should not include any unborn children in the family size.

STUDENT'S INCOME INFORMATION

Important Note: The instructions below apply to the student and spouse (if the student is married). Notify the financial aid office if the student or spouse filed separate IRS income tax returns for 2022 or had a change in marital status after December 31, 2022.

TAX RETURN FILERS—Complete this section if the student and spouse filed or will file a 2022 IRS income tax return(s). As part of federal student aid eligibility, students, and spouses (as appropriate), will be required to consent and approve sharing and importing income and tax information from the IRS to the FAFSA form, even if the attempt to obtain or use such data is ineffective. In other words, if the student and spouse filed separate 2022 IRS income tax returns, both must provide consent and approval to share and import income and tax information from the IRS. In most cases, no further documentation is needed to verify 2022 income information that was transferred into the student's FAFSA using income and tax information directly from the IRS.

If 2022 income tax return information for the student (or spouse, if applicable) was not available or could not be used, the student should provide the institution with a 2022 IRS Tax Return Transcript(s) and applicable schedules.

- The student's 2022 income and tax information was imported from the IRS to the FAFSA form **OR** the student's 2022 income and tax information was not available or could not be used and therefore the student will provide the institution with a **2022 IRS Tax Return Transcript**. (To obtain an IRS Tax Return Transcript, go to www.irs.gov/transcript or call 800-908-9946. Turn to page 3 for more options.)

STUDENT NON-TAX FILERS— The instructions and certifications below apply to the student and spouse (if the student is married.) Complete this section if the student and spouse will not file and are not required to file a 2022 income tax return with the IRS.

Check the boxes that apply: if the student will not file and is not required to file a 2022 income tax return with the IRS:

- The student and spouse were not employed and had no income earned from work in 2022.
- The student was employed in 2022, but has not filed and is not required to file a 2022 income tax return. List below the names of all employers, the amount earned from each employer in 2022, and whether an IRS W-2 form or an equivalent document is provided. List every employer even if the employer did not issue an IRS W-2 form. **Provide copies of all 2022 IRS W-2 forms issued to the student by their employers.**
