

The Financial Aid Office recognizes that a family can experience a change in financial circumstances which make it necessary to re-evaluate an aid application. Before consideration, the student must have submitted a 2024-25 Free Application for Federal Student Aid (FAFSA) and the results must be on file. Also, if selected, the federal/state verification process must be finalized prior to additional changes.

In addition to the required documents to support the request listed within the appropriate sections below, it is recommended that the student and/or parent write a letter describing the extenuating circumstances which have affected their ability to pay for college.
