

Your 2026-2027 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we must ask you to confirm the information reported on your FAFSA. To verify that you provided correct information, the financial aid administrator at Saint Peter's University will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information will be corrected. You and at least one parent must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the Office of Financial Aid. Saint Peter's University may ask for additional information. If you have questions about verification, contact our office as soon as possible so that your financial aid will not be delayed.

FAMILY SIZE

List below your family size. Include:

- The student.
- The student's parents (or stepparent, if applicable), even if the student is not living with them. Exclude a parent who has died or is not living in the household because of separation or divorce. Include a parent who is on active duty in the U.S. Armed Forces apart from the family.
- The student's siblings if all of the following are true:
 - They live with the student's parents (or live apart because of college enrollment);
 - They receive more than half of their support from the student's parents; and
 - They will continue to receive more than half their support from the student's parents during the award year.
- Other persons if the following are true:
 - They live with the student's parents,
 - They receive more than half of their support from the student's parents, and
 - They will continue to receive more than half their support from the student's parents during the award year.

The provided criteria for "dependent children" or "other persons" mirror the requirement that family size align with those the parent could claim as a dependent on a U.S. tax return if the parent were to file a U.S tax return at the time of completing the 2026-2027 FAFSA. As a result, the parent should not include any unborn children in the family size.

STUDENT'S INCOME INFORMATION

Important Note: The instructions below apply to the student and spouse (if the student is married). Notify the financial aid office if the student and spouse filed separate IRS income tax returns for 2024 or had a change in marital status after December 31, 2024.

TAX RETURN FILERS— Complete this section if the student and spouse filed or will file a 2024 IRS income tax return(s). As part of Federal student aid eligibility, students, and spouses (as appropriate), will be required to consent and approve sharing and importing income and tax information from the IRS to the FAFSA form, even if the attempt to obtain or use such data is ineffective. In other words, if the student and spouse filed separate 2024 IRS income tax returns, both must provide consent and approval to share and import income and tax information from the IRS. In most cases, no further documentation is needed to verify 2024 income information that was transferred into the student's FAFSA using income and tax information directly from the IRS via the FA-DDX.

If 2024 income tax return information for the student (or spouse, if applicable) was not transferred via the FA-DDX and considered verified, the student should provide the institution with a **2024 IRS Tax Return Transcript(s)** or a **signed copy of the 2024 income tax return and applicable schedules**.

- **IRS Tax Return Transcript.** (To obtain an IRS Tax Return Transcript, go to www.irs.gov/transcript or call 800-908-9946. Turn to page 3 for more options.)
