

Your 2026-2027 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we must ask you to confirm the information reported on your FAFSA. To verify that you provided correct information, the financial aid administrator at Saint Peter's University will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information will be corrected. Saint Peter's University may ask for additional information. If you have questions about verification, contact our office as soon as possible so that your financial aid will not be delayed.

High School Completion Status Guideline

Provide one of the following documents to indicate the student's high school completion status when the student begins college in 2026-27:

- A copy of the student's high school diploma.
- For students who completed secondary education in a foreign country, a copy of the "secondary school leaving certificate" or other similar document.
- A copy of the student's final official high school transcript that shows the date when the diploma was awarded.
- A State certificate or transcript received by a student after the student passed a State-authorized examination that the State recognizes as the equivalent of a high school diploma (GED test, HiSET, TASC, or other State-authorized examination).
- An academic transcript that indicates the student successfully completed at least a two-year program that is acceptable for full credit toward a bachelor's degree.
- For a student who was homeschooled in a State where State law requires the student to obtain a secondary school completion credential for homeschooling (other than a high school diploma or its recognized equivalent), a copy of that credential.
- For a student who was homeschooled in a State where State law does not require the student to obtain a secondary school completion credential for homeschooling (other than a high school diploma or its recognized equivalent), a transcript, or the equivalent, signed by the student's parent or guardian, that lists the secondary school courses the student completed and includes a statement that the student successfully completed a secondary school education in a homeschool setting.

A student who is unable to obtain the documentation listed above must contact the financial aid office.
