

IRS Tax Return Transcript and IRS Record of Account Request Process

Tax filers can request from the Internal Revenue Service (IRS) an IRS Tax Return Transcript of their IRS tax return information, free of charge, in one of six ways. An IRS Record of Account can only be requested using Get Transcript ONLINE or by submitting an IRS Form 4506-T, Request for Transcript of Tax Return.

Under all methods, when requesting a transcript, tax filers need to provide their Social Security Number (SSN), date of birth, their street address, and ZIP Code as is currently on file with the IRS. Generally, this is the address included on the latest tax return filed with the IRS. However, if an address change was made either with the IRS or with the U.S. Postal Service, the IRS may have the updated address on file. If this is the case use the updated address.

Joint Tax Return - When requesting a transcript using one of the four electronic processes described below, use the primary tax filer's information (e.g., SSN).
