CLAIM PROVISIONS

Notice of Claim

Written or authorized electronic/telephonic notice of claim must be given to Us within 31 days after a covered loss occurs or begins or as soon as reasonably possible. If written or authorized electronic/telephonic notice is not given in that time, the claim will not be invalidated or reduced if it is shown that such notice was given as soon as was reasonably possible. Notice can be given to Us at Our Administrative Office in New York, New York, to such other place as We may designate for the purpose, or to Our authorized agent. Notice should include the Policyholder's name and policy number and the Covered Person's name and address.

Claim Forms

We will send claim forms for filing proof of loss when We receive notice of a claim. If such forms are not sent within 15 days after We receive notice, the proof requirements will be met by submitting, within the time fixed in this Policy for filing proof of loss, written or authorized electronic proof of the nature and extent of the loss for which the claim is made.

Claimant Cooperation Provision

Failure of a claimant to cooperate with Us in the administration of the claim may result in termination of the claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

Proof of Loss

Written or authorized electronic proof of loss satisfactory to Us must be given to Us at Our office, within 90 days of the loss for which claim is made. If written or authorized electronic notice is not given within that time, no claim will be invalidated or reduced if it is shown that such notice was given as soon as reasonably possible.

Time of Payment of Claims

We will pay benefits due under this Policy not more than 60 days after receipt of due written or authorized electronic proof of such loss.

All other proceeds payable under this Policy, unless otherwise stated, will be payable to the Covered Person or to his estate.

If We are to pay benefits to the estate or to a person who is incapable of giving a valid release, We may pay up to \$1,000 to a relative by blood or marriage whom We believe is equitably entitled. Any payment made by Us in good faith pursuant to this provision will fully discharge Us to the extent of such payment and release Us from all liability.

Beneficiary

The beneficiary is the person or persons the Covered Person names or changes on a form executed by him and satisfactory to Us. This form may be in writing or by any electronic means agreed upon between Us and the Policyholder. Consent of the beneficiary is not required to affect any changes or to make any assignment of rights or benefits permitted by this Policy, unless the beneficiary has been designated as an irrevocable beneficiary.

A beneficiary designation or change will become effective on the date the Covered Person executes it. However, We will not be liable for any action taken or payment made before We record notice of the change at our Home Office.

If more than one person is named as beneficiary, the interests of each will be equal unless the Covered Person has specified otherwise. The share of any beneficiary who does not survive the Covered Person will pass equally to any surviving beneficiaries unless otherwise specified.

If there is no named beneficiary or surviving beneficiary, or if the Covered Person dies while benefits are payable to him, We may make direct payment to the first surviving class of the following classes of persons:

Legal Actions

No action at law or in equity may be brought to recover under this Policy less than 60 days after written or authorized electronic proof of loss has been furnished as required by this Policy. No such action will be brought more than three years after the time such written proof of loss must be furnished.

ADMINISTRATIVE PROVISIONS

Cancellation

We or the Policyholder may cancel this Policy as of any Premium Due Date by giving the other 60 days advance written notice. Any premium rate guarantee will not affect Our or the Policyholder's right to cancel this Policy.

If a premium is not paid when due, We will cancel this Policy at the end of the last period for which premium was paid, subject to any Grace Period provision. Premium Due Dates are shown in the *Schedule of Benefits*.

Cancellation will not affect a claim for a Covered Loss resulting from a Covered Accident that occurred before the cancellation date.

Premiums

All premium rates are expressed in, and all premiums are payable in, United States currency. The premiums for this Policy will be based on the rates, as set forth in the *Schedule of Benefits* or subsequently changed, the plan and amounts of insurance in effect for Covered Persons and the premium mode selected, as shown in the *Schedule of Benefits*. We will provide notifications of premiums due or premium changes, by mail to the most current address in our files, to the Policyholder.

Premium Payment

The total premium paid by the Policyholder is the sum of premiums for all Covered Persons. The initial premium is due on the Policy Effective Date and each succeeding premium is due on the next succeeding Premium Due Date, as shown in the *Schedule of Benefits*, unless the Policyholder and We agree to another mode of premium payment. Premiums are paid at our Administrative Office or to Our authorized agent.

If any premium is not paid when due, this Policy will be cancelled as of the Premium Due Date of the unpaid premiums, except as provided in the Grace Period provision.

Changes in Premium Rates

We may change the premium rates from time to time with at least 31 days advance written notice to the Policyholder. No change in rates will be made until 12 months after the Policy Effective Date. An increase in rates will not be made more often than once in a 12-month period. However, We reserve the right to change rates at any time if any of the following events take place:

1. the terms of this Policy change;
2. a change in any federal or state law or regulation is enacted, adopted or amended to the extent that it affects Our benefit obligations under this Policy; or
3. the Policyholder fails to provide sufficient information, as required by Us, to confirm adequacy of premiums and rates currently being paid.

Any increase or decrease in rate will take effect on the date of the applicable change specified above. A pro-rata adjustment will apply from the date of the change to the end of any period for which premium has been paid.

Premium Audit

We will have the right to audit books and records of the Policyholder at its place of business and during regularly-scheduled business hours, in order to determine the accuracy of premium paid.

Reinstatement

This Policy may be reinstated if it lapsed for nonpayment of premium. Requirements for reinstatement are written application of the Policyholder satisfactory to Us and payment of all overdue premiums. Any premium accepted in connection with a reinstatement will be applied to the earliest period for which premium was not previously paid.

No change in this Policy will be valid until approved by one of Our executive officers, endorsed on or attached to this Policy and signed by the Policyholder and Us. No agent has authority to change this Policy or to waive any of its provisions.

Misstatement of Fact

If a Covered Person has misstated any fact, all amounts payable under this Policy will be such as the premium paid would have purchased had such fact been correctly stated.

Assignment

The rights and benefits under this Policy may not be assigned and any attempt to assign will be void.

Certificates

We will provide a certificate of insurance for delivery to the Covered Person. Each certificate will list the benefits, conditions and limits of this Policy. It will state to whom benefits will be paid.

1. Of This Policy

All statements made by the Policyholder to obtain this Policy are considered representations and not warranties. No statement will be used to deny or reduce benefits or be used as a defense to a claim, or to deny the validity of this Policy unless a copy of the instrument containing the statement is, or has been, furnished to the Policyholder. After two years from the Policy Effective Date, no such statement will cause this Policy to be contested except for fraud.

2. Of A Covered Person's Insurance

All statements made by a Covered Person are considered representations and not warranties. No statement will be used to deny or reduce benefits or be used as a defense to a claim, unless a copy of the written instrument, signed by the claimant and containing the statement is, or has been, furnished to the claimant. In the event of a claimant's death or incapacity, his applicable representative shall be given a copy.

After two years from the Covered Person's effective date of insurance, or from the effective date of increased benefits, no such statement will cause insurance or the increased benefits to be contested except for fraud or lack of eligibility for insurance.

1. the number of persons insured on the Policy Effective Date;
2. the number of persons who are insured after the Policy Effective Date;

Conformity with Statutes

Any provisions in conflict with the requirements of any state or federal law that applies to this Policy are automatically changed to satisfy the minimum requirements of such laws.

Only the Scope of Coverage listed on the Schedule of Benefits will apply.

Covered Expenses and any applicable Deductibles are shown in the *Schedule of Benefits*.

Other Health Care Plan Benefits

When another Health Care Plan provides benefits in the form of services rather than cash payments, We will consider the reasonable cash value of such service in determining whether any Deductible has been satisfied, or any amount by which any benefit provided by this Policy will be reduced.

Primary Medical Expense

We will pay Covered Expenses without regard to any Health Care Plan the Covered Person may have, after any applicable Deductible has been satisfied.

Primary Excess Medical Expense

We will pay Covered Expenses, up to the Primary Excess Benefit shown in the *Schedule of Benefits* after the Covered Person satisfies any applicable Deductible, without regard to any other Health Care Plan he may have. We then pay Covered Expenses only when they are in excess of amounts payable by any other Health Care Plan, whether or not claim has been made for benefits it provides.

We will pay benefits without regard to any Coordination of Benefits provision in such Health Care Plan.

Any Covered Expenses payable under this provision will be reduced by the Other Health Care Plan Reduction Percentage shown in the *Schedule of Benefits* if:

1. the Covered Person has coverage under another Health Care Plan;
2. the Other Health Care Plan is an HMO, PPO or similar arrangement; and
3. the Covered Person does not use the facilities or services of the HMO, PPO or similar arrangement.

Covered Expenses will not be reduced for:

- (a) emergency treatment within 24 hours after a Covered Accident which occurred outside the geographic service area of the HMO, PPO or similar arrangement; and
- (b) services rendered in a non-network facility or by a non-network provider, when such services are required for emergency treatment within 24 hours of a Covered Accident.

Full Excess Medical Expense

We will pay Covered Expenses:

1. after the Covered Person has satisfied any applicable Deductible; and
2. only when they are in excess of amounts payable by any Other Health Care Plan whether or not claim has been made for benefits it provides.

We will pay benefits without regard to any Coordination of Benefits provision in such Health Care Plan.

Any Covered Expenses payable under this provision will be reduced by the Other Health Care Plan Reduction Percentage shown in the *Schedule of Benefits* if:

1. the Covered Person has coverage under another Health Care Plan;
2. the Other Health Care Plan is an HMO, PPO or similar arrangement; and
3. the Covered Person does not use the facilities or services of the HMO, PPO or similar arrangement.

Covered Expenses will not be reduced for:

- (a) emergency treatment within 24 hours after a Covered Accident which occurred outside the geographic service area of the HMO, PPO or similar arrangement; and
- (b) services rendered in a non-network facility or by a non-network provider, when such services are required for emergency treatment within 24 hours of a Covered Accident.

This provision applies if:

1. any other Health Care Plan covers the Covered Person; and
2. total benefits under all Plans would exceed the expenses actually incurred; and
3. We are not defined as primary under another Health Care Plan's Coordination of Benefits provision.

When the total of benefits payable by all Health Care Plans, whether or not claim is made for those benefits, exceeds Covered Expenses incurred, any Expense-Incurred Medical Benefits We pay will be reduced by such excess.

When the Scope of Coverage indicated in the Schedule of Benefits is Primary Excess Medical Expense or Full Excess Medical Expense, this provision applies.

**Non-Duplication of Benefits
When This Policy and Other
Plans Are Excess**

NOTICE

NEW JERSEY LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT

Residents of New Jersey who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the New Jersey Life and Health Insurance Guaranty Association.

The purpose of this Association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force.

DISCLAIMER

The New Jersey Life and Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in New Jersey. You should not rely on coverage by the New Jersey Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the Guaranty Association to induce you to purchase any kind of insurance policy.

**The New Jersey Life and Health Insurance Guaranty Association

9th Floor
Newark, NJ 07102**

**State of New Jersey
Department of Banking and Insurance
20 West State Street
P.O. Box 325
Trenton, NJ 08625**

The valuable extra protection provided by these insurers through the Guaranty Association is not unlimited, however. And, as noted below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The state law that provides for this safety-net coverage is called the New Jersey Life and Health Insurance Guaranty Association Act, N.J.S.A. 17B:32A-1, et seq. (the "Act").

COVERAGE

The following is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the Act or the rights or obligations of the Guaranty Association.

Generally, individuals will be protected by the Life and Health Insurance Guaranty Association if they live in New Jersey and hold a life, health or long-term care insurance contract, annuity contract, or if they are insured under a group insurance contract, issued by a member insurer.

The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are not protected by this Association if:

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state); or
- the insurer was not authorized to do business in this state;
- the policy is issued by an organization which is not a member of the New Jersey Life and Health Insurance Guaranty Association.

The Guaranty Association also does not provide coverage for:

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed an average rate as more fully described in Section 3 of the Act;
- dividends;
- credits given in connection with the administration of a policy by a group contractholder;
- employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them).

LIMITS ON AMOUNT OF COVERAGE

The Act also limits the amount the Association is obligated to pay out. The Association cannot pay more than what the insurance company would owe under a policy or contract.

With respect to any one insured individual, regardless of the number of policies or contracts, the Association will pay not more than \$500,000 in life insurance death benefits and present value annuity benefits, including net cash surrender and net cash withdrawal values. Within this overall limit, the Association will not pay more than \$100,000 in cash surrender values for life insurance, \$100,000 in cash surrender values for annuity benefits, \$500,000 in life insurance death benefits or \$500,000 in present value of annuities -- again no matter how many policies and contracts there were with the same company, and no matter how many different types of coverages.

The Association will not pay more than \$2,000,000 in benefits to any one contractholder under any one unallocated annuity contract.

There are no limits on the benefits the Association will pay with respect to any one group, blanket or individual accident and health insurance policy.
