HIGHLIGHTED FEATURES/FIXES	
<input checked="" type="checkbox"/>	Reordering of columns in grade center via Drag and Drop
<input checked="" type="checkbox"/>	Spellcheck Flags Corrected Words or Parts of Words as Misspelled: Resolves issue with Partial fragments of correctly spelled words flagged as misspelled by editing, and this incorrect flagging not refreshed by turning the spell check off and on.
<input checked="" type="checkbox"/>	Line Spacing in the VTBE is not Consistent with Displayed Text: Line spacing in announcements, items, assignments, etc. will now appear correctly when entered in the Text Editor instead of missing spacing.
<input checked="" type="checkbox"/>	Grade display standardization: This fix brings consistency to grades in Learn Original across a variety of views. Now, all gradebook columns online, download, and in My Grades support up to 5 decimals, are not rounded, and are consistent for Score and percentage display types. The % symbol has been removed from cells in the offline download file to ensure values are not rounded. The offline file now includes the primary display format type in the gradebook column header.
<input checked="" type="checkbox"/>	Improvements to BB Mobile App and BB Instructor App: Blackboard app: <ul style="list-style-type: none"> Improves logging of events into the activity accumulator for analytics reports

	<ul style="list-style-type: none">• Resolves issue where course grades were unavailable if the “My Grades” tool link was hidden <p>Blackboard Instructor</p> <ul style="list-style-type: none">• Resolves issue where the indicated visibility of the assessment by the student was incorrect• Resolves issue where some imported courses were not accessible by the instructor• Fixes issue where some hidden discussion boards were displaying a blank page
