-------------------------------------	---

	<ul style="list-style-type: none"> <li>• Error Accessing Needs Grading Page after Deleting Group with Attempts - Article <a href="#">#49472</a></li> <li>• Special Characters cause False Negatives in Pattern Matching Questions - Article <a href="#">#49160</a></li> <li>• Inconsistent Announcement Email Behavior - Article <a href="#">49237</a></li> </ul>
<input checked="" type="checkbox"/>	<p><b>DOWNLOAD ANNOTATED PDF'S</b></p> <ul style="list-style-type: none"> <li>• Users were accustomed to downloading annotated files when Crocodoc handled inline file rendering. With the switch to New Box View, this capability wasn't available and highly requested. Blackboard listened and developed the ability to download annotated files using the New Box View.</li> <li>• In this release, both instructors and students can download certain file types (DOC, DOCX, PDF, PPT, PPTX, XLS, XLSX) with annotations as an annotated PDF. Students can download the annotated file after their submission has been graded.</li> <li>• Visit <a href="#">Inline Grading and New Box View Update</a> on the Blackboard Community for more information and a video demonstration.</li> </ul>
<input checked="" type="checkbox"/>	<p><b>General Data Privacy Regulation (GDPR) User Report</b></p> <ul style="list-style-type: none"> <li>• One of the requirements of the EU GDPR is to allow users to receive human-readable reports of personal information that has been collected about them. Managed Hosting and Self-Hosted clients receiving user requests may submit a case on Behind the Blackboard, including the user's ID, to request the exported report package.</li> </ul>
<input checked="" type="checkbox"/>	<p><b>Cloud Storage Integration</b></p> <ul style="list-style-type: none"> <li>• Foundation for tool that will allow Instructors to copy files from their favorite cloud storage solutions when authoring content items or creating assignments. Using this tool, Students will be able to submit assignments from their favorite cloud storage solutions.</li> <li>• Cloud storage that will be supported includes OneDrive, OneDrive for business, Google Drive including G suite accounts, Dropbox, and Box. More information can be found on <a href="#">Add Files From Cloud Storage</a>.</li> <li>• This tool has not yet been enabled; it will be activated in the future pending Blackboard improvements to handling of Google Document usage.</li> </ul>
<input checked="" type="checkbox"/>	<p><b>Grading in Blackboard Instructor App</b></p> <ul style="list-style-type: none"> <li>• This release provides support for grading in Blackboard Instructor. Instructors and graders can now easily identify courses where they need to grade student submissions. They can review, annotate, and grade submissions and quickly publish the grades back to students.</li> <li>• More information on grading in Blackboard Instructor can be found on <a href="#">Blackboard Instructor Grading</a>.</li> </ul>
